Bathroom Vanity Tops

Barfesa Bathroom Countertops will take your bathroom space to a new dimension of natural design and modern stylism. As a space with traditionally all-white fixtures, your bathroom oftentimes needs a little bit of color and texture. One of the best ways to add that in is through the use of an interesting bathroom countertop.

MARFESA

Bathroom Collection 2014

Add distinctive style and custom appeal to your bathroom with Marfesa Standard vanity top. Available in marble, granite, Silks-tone, cultured marble ..

KRION®
PORCELANOSA SOLID SURFACE

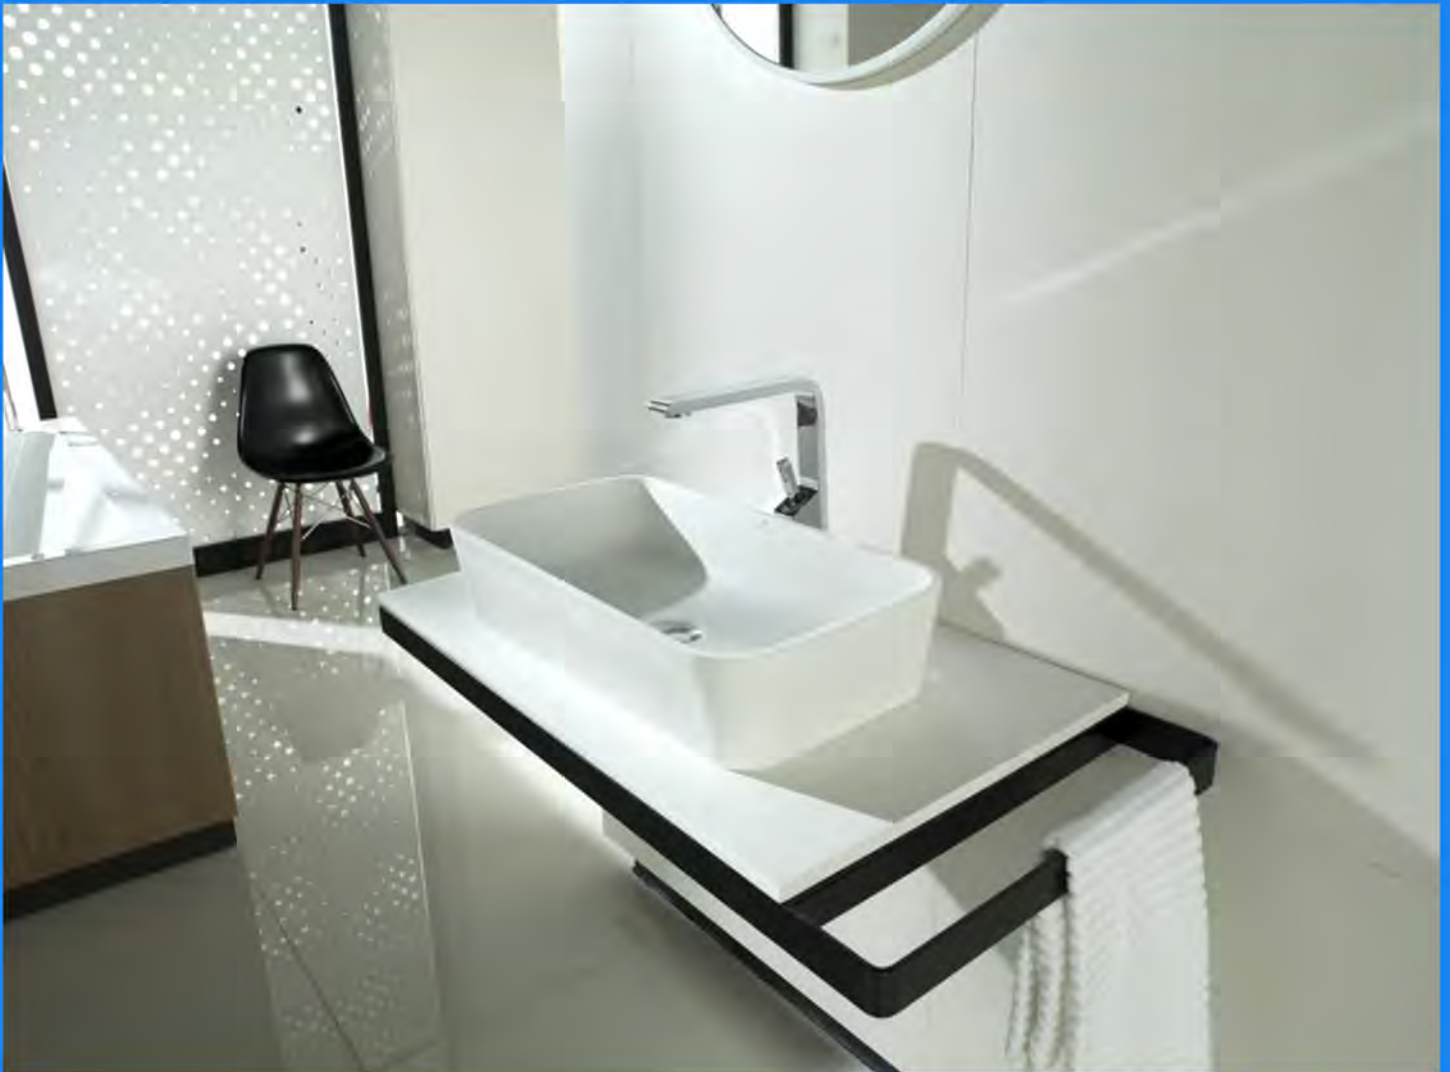

KRION™ the Solid Surface from the Porcelanosa Group
KRION™ is a new-generation solid surface developed by SYSTEMPOOL, a company that is a part of the Porcelanosa Group.

MARFESA

Bathroom Collection 2014

Porcelanosa Authorized Distributors

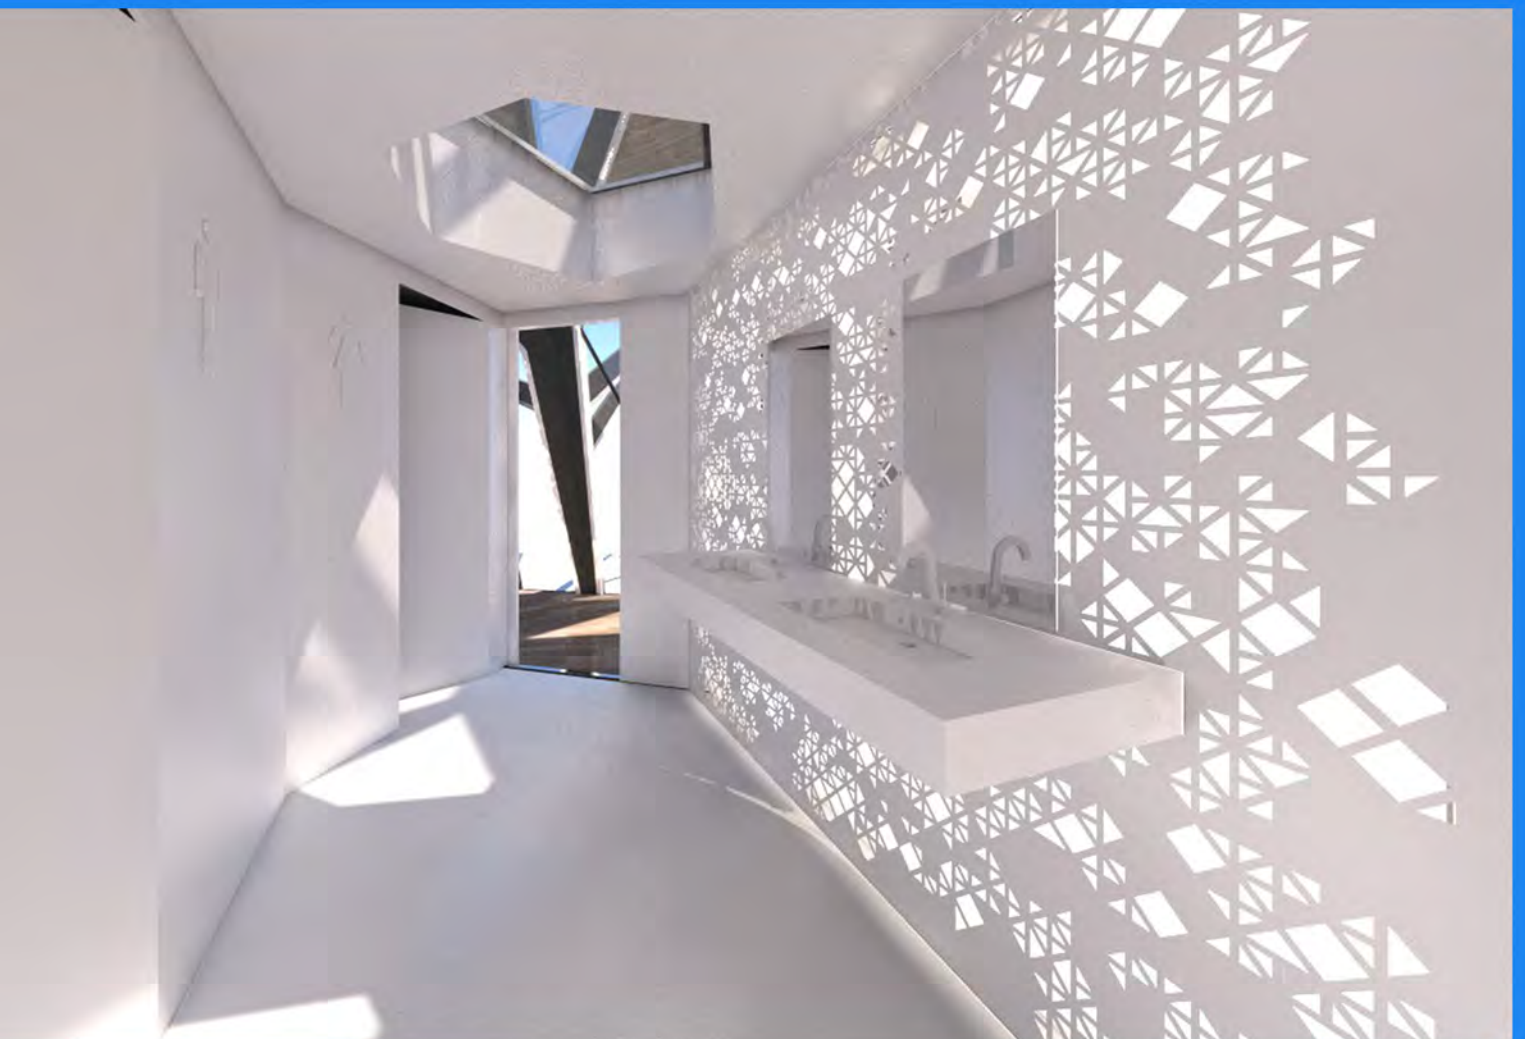

It is a material that is warm to the touch and similar to natural stone. It is made of two-thirds natural minerals (ATH - aluminium trihydride) and a low percentage of high-resistance resins. This composition gives KRION™ a number of exclusive features: it does not have any pores, it is anti-bacterial without any type of additive, it is hard-wearing, highly resistant and easy to repair, only requires minimum maintenance and is easy to clean.
